

Everything I Hate

Holly Valance

I'm here if you want to
I got what you're into
There ain't something so new
That told me it ain't true

Let me be, let me through
'Cos I don't know what to do
I can move, what I mean
But you gotta set me free
Let me be, let me through
Cos I don't know what to do
I can move, what I mean
But I gotta get me

I'm everything I hate, so infatuated
I'm everything I hate, can't you see I'm waiting?

I can if you say so
I will if you won't go
You're so make a no show
Here we can go slow

Let me be, let me through
Cos I don't know what to do
I can move, what I mean, but I

I'm everything I hate, so infatuated
I'm everything I hate, you make me feel X rated
I'm everything I hate, gonna validate it
I'm everything I hate, can't you see I'm waiting?

There be I'm naked
You're right and I hate it

I'm everything I hate, so infatuated
I'm everything I hate, you make me feel X rated
I'm everything I hate, gonna validate it
I'm everything I hate, can't you see I'm waiting?

I'm everything I hate
I'm everything I hate
I'm everything I hate
