Boy we've been talking 'Bout this and that I like it fine but I love the strife Here's my suggestion Don't need no words Get on your feet and if you see Breathe deep and follow me I wanna see you working what you got 'Cos that's how I like it That's how I wanna last it on and on Are you ready or not? Touch down Zip it Don't stop moving your body on the dancefloor Flip it Rock that so phat You're shaking on the dancefloor Now dip it Feel your base bass You move across the dancefloor Zip it 'Cos that ain't what you came here for Oh oh Oh oh So no talk but baby Don't take offense 'Cos we're on the same vibe Boy when we dance Your body language No need for words You'll do me good And it's understood I feel your need I wanna see you working what you got 'Cos that's how I like it That's how I wanna last it on and on Are you ready or not? Touch down Don't stop moving your body on the dancefloor Flip it Rock that so phat You're shaking on the dancefloor Now dip it Feel your base bass You move across the dancefloor Zip it

'Cos that ain't what you came here for

Zip it Don't stop moving your body on the dancefloor Flip it Rock that so phat You're shaking on the dancefloor Now dip it Feel your base bass You move across the dancefloor 'Cos that ain't what you came here for Touch down Zip it Flip it Rock it Let me hit it On the dancefloor Hush now Zip it Flip it Rock it Let me hit it On the dancefloor I wanna see you working what you got 'Cos that's how I like it That's how I wanna last it on and on Are you ready or not?
