

# I Love You, Not!

Home Grown

We've been dating for a week  
And now you're asking me  
If I love you I don't know what to say  
Hey, why don't we hit the hay  
I'll be your love slave  
In the morning, pretend that we're okay

You're moving fast  
Don't get attached  
I think you're hot  
But I love you not

When I'm with you  
I don't want to hear  
The words that don't mean  
Anything to me  
I don't love you  
I will never say  
Those words that don't mean  
Anything to me

We are nothing but a fling  
So don't expect a thing from me, girl  
You're way too serious  
Why don't you just build a bridge  
So you'll get over it and me, girl  
We're friends with benefits

Pathetic hopeless romantic  
This is why you never get it  
Single is the way for me  
Come play with me

You're moving fast  
Don't get attached  
I love you bod  
(Oh Johnny)
