

This Is Gonna Hurt

Hoobastank

I've been living for too long
with a feeling somethings wrong,
like a thorn stuck in my side
just out of reach for me to pull it out.

Now the picture's crystal clear,
I can see that the end is near.
We no longer have to pretend,
all things have got to come to an end.

This is gonna hurt.
This is gonna hurt you.
This is gonna hurt you,
more than it hurts me.

And I don't wanna hurt,
that's why I'm gonna hurt you,
that's why I'm gonna hurt you,
that's how it's gonna be.

And they say what doesn't kill you,
well I'm sure you know the rest.
If you'd shut up for a second
I could get this off my chest.

Cause i've been through way too much
and we've grown so out of touch.
Now we can't see eye to eye,
it's time to kiss it goodbye.

This is gonna hurt.
This is gonna hurt you.
This is gonna hurt you,
more than it hurts me.

And I don't wanna hurt,
that's why I'm gonna hurt you,
that's why I'm gonna hurt you,
that's how it's gonna be.

This is gonna hurt you.
That's how it's gonna be.
This is gonna hurt you.

Can't you see the writing on the wall?
One more step before i end it all.

(Can't you see the writing on the wall?)
Closing my eyes
Holding my breath
Finish it now
Get it over with

(One more step before i end it all)
Closing my eyes
Holding my breath
Finish it now

Get it over with

(Can't you see the writing on the wall?)
This is gonna hurt.
This is gonna hurt you.
This is gonna hurt you,
more than it hurts me.

(One more step before i end it all)
and i don't wanna hurt.
That's why I'm gonna hurt you.
That's why I'm gonna hurt you,
that's how it's gonna be.

That's how it's gonna be.
That's how it's gonna be.
That's how it's gonna be.
