

Long Island Iced Tea

Hoodie Allen

She says, "We ain't 21 but we might be",
Fresh in my Nikes, pass me the ice tea.
Go on girl, I know that you like me,
Don't need a wifey, just need me some ice tea.

They said "Do you need to see ID?"
She said "Likely"
Are you gonna leave with me?
Umm, she might be
Boyfriend got a problem?
Then fight me.
One hand on his broad and the other on my ice tea.
