

## Look Away

Hootie & The Blowfish

I saw her standing there  
Tears upon her cheek told me something was wrong  
I asked her what it was  
She looked away and said my daddy's home.  
I knew what that meant  
It meant that I could never see her again  
I had seen this once before  
I didn't wanna deal with it anymore  
Look away she said, as she turned to me  
And when I tried to hold her, I couldn't let her be  
Let her be, Let her be  
I said why, why do you make me cry  
She said I love you so, Look away I don't wanna know  
I saw her standing there  
Tears upon her cheek told me something's wrong  
I said what baby  
she looked away and said my daddy's home  
Look away she said, and she turned to me  
but darling, oh I loved her, couldn't let her be  
Let her be, Let her be  
Look away, she said I love you so, Look Away.
