

## Some Like It Cold

### Hopes Die Last

I tried to do my best  
but nothing seems to be alive  
cause everytime I speak  
I see your walls falling  
and now  
when I come around you all are  
on your knees  
So, what can you say?  
did I fail?

You know that  
I try to do the best I can  
but you don't care  
and I swear

I swear I'll never be like you  
and that's the truth  
cause I can see  
that you are playing  
hide and seek  
with all my dreams

Never met no one that  
hates me like you do  
but hey, I can understand it  
cause everytime I speak  
I see your walls falling  
but now I dare  
so show me how  
to play this game  
you know that  
I'm trying to be myself again  
but you don't care  
and I swear  
I swear i'll never be like you  
and that's the truth  
cause I can see  
you are playing hide and seek  
with all my dreams  
I'll wake up  
I'll wake up  
so try to hit me now  
try to steal myself again  
I try to do the best I can

You know that  
I try to do the best I can  
You know that  
I'm trying to be myself again  
but you don't care  
and I swear  
I swear I'll never be like you  
and that's the truth  
cause I can see  
you are playing hide and seek  
with all my dreams
