

## Doom Boom

## Hot Action Cop

Forget about the party shit's in Calamazoo,  
And I don't feel like drivin' any more than you do,  
We gotta house party over here in the place,  
With all the local honey drippin' up in my face,  
We gotta female goin' up in my room,  
It's gotta big tail and it's ready to boom boom!  
What's the sweet smell in the air?  
Y'all go crazy up in here!  
Fauna on the corner glowin' low on the street,  
Me big 'ol head bounce sittin' back with the beat,  
I keep my head down and I never repeat,  
Upon the same route where they're beatin' their feet,  
All chokin' on a stick,  
Fuzzy wuzzy want it thick,  
Not like crack heads when they suckin' on a dick baby,  
I'm a git you higher,  
Big bricks'z!  
No tricks'z!

Hey money money money money,

Ya thinkin' that the chronic went 'n fizzled my brain,  
Ya thinkin' that cheapest spray painted the pain that I,  
Cool out get red get with it,  
Chill like a pill with the mellow in it,  
Giggle like ya foot fall asleep in the truck,  
All you can eat Chinese eight bucks!

Wanna party loddie doddie money up in the grip,
