

La Dee Da

Hot Action Cop

Let's go
Uh uh uh uh uh uh ooh yeah yeah yeah
Uh uh uh uh uh uh ooh yeah yeah
She's a free wheel, you know the deal
Running over everything, see how it feels
I'm a new jack right off the wrack
Tire tracks all over my back

And I go reading, and running, and loving, and wanting you every night
Reading, and running, and loving, and wanting you every night
No, you got me right where you want me

I say yeah, yeah, yeah
La dee da dee da
We'll only love it when we tear it apart
I say yeah, yeah, yeah
La dee da dee da
Check out my black flag, lend us the art

I wanna be loved, wanna behave
Put on the fly, feeling the planes
Let's see how much we can take,
Before our hearts give under their own weight

Uh uh uh uh uh uh ooh yeah yeah
She's got sweetheart down to an art
Knowing all the lines, playing a part
I've got rector under duress
Making every scene with the buttons I press
And I go reading, and running, and loving, and wanting you every night
Reading, and running, and loving, and wanting you every night
No, you got me right where you want me

I say yeah, yeah, yeah
La dee da dee da
We'll only love it when we tear it apart
I say yeah, yeah, yeah
La dee da dee da
Check out my black flag, lend us the art

I wanna be loved, wanna behave
Put on the fly, feeling the planes
Let's see how much we can take,
Before our hearts give under their own weight
