

Tomorrow's Gotta Secret

Hot Action Cop

When I miss you, girl
It's not the same to dream
When I miss you, girl
It's just too much for me
When I miss you, girl
I feel like you don't care
There's one more thing that I would like to say
Before I stare out the window

When I miss you, girl
There's something in the way
When I miss you, girl
It kills me every day
When I miss you, girl
I feel like I can't breathe
There's one more thing that I would like to say
Before I scream out the window

Heeeeeeeeyyy
Tomorrow's got a secret, she'll never tell
Heeeeeeeeyyy
You see, she knows me too well

When I miss you, girl
The sky is cold and gray
When I miss you, girl
On a perfect summer day
When I miss you, girl
I feel like I can't sleep
There's one more thing that I would like to say
Before I leap out the window

Heeeeeeeeyyy
Tomorrow's got a secret, she'll never tell
Heeeeeeeeyyy
Tomorrow's got a secret, she'll never tell
You see, she knows me too well

There's one more thing that I would like to say
Before I scream out the window

Heeeeeeeeyyy
Tomorrow's got a secret, she'll never tell
Heeeeeeeeyyy
Tomorrow's got a secret, she'll never tell
She'd rather see you go through hell
