

# Heaven Is N The Back Seat Of My Cadillac

Hot Chocolate

Heaven's in the back seat of my cadillac -  
Let me take you there  
Yeah yeah.  
Heaven's in the back seat of my cadillac -  
Let me take you there  
Yeah yeah.

Can't stand it  
Can't stand it  
Baby  
When I'm close to you I wanna touch you  
There are people ev'rywhere  
People who like to stare

Can't take it Baby  
Let's get outta here.

Heaven's in the back seat of my cadillac

Let's do it  
Let's do it Baby  
Let's go for a ride out in the countryside.  
Just me and you far from the city lights  
That's much too bright for this kinda lovin'.

Heaven's in the back seat of my cadillac

Makin' love  
Makin' love with you  
Is such a beautiful thing to do.  
Makin' love  
Makin' love with you  
Is such a wonderful thing with me and moonlight.

Heaven's in the back seat of my cadillac

Let's do it
