

## So You Win Again

Hot Chocolate

Just to admit one mistake  
That can be hard to take  
I know we've made them fall  
But only fools come back for more  
Being the fool I am  
I figured in all your plans, darling  
Your perfumed letters didn't say  
That you'd be leaving any day

So you win again, you win again  
Here I stand again, the loser  
And just for fun you took my love and run,  
But love had just begun

I can't refuse her  
But now I know that I'm the fool  
Who won your love to lose it all  
When you come back, you win again  
And I'm not proud to say  
I let love slip away  
Now I'm the one who's crying  
I'm a fool there's no denying  
When will my heartache end?  
Will my whole life depend on fading memories  
You took the game this time with ease

So you win again, you win again  
Here I stand again, the loser  
And just for fun you took my love and run,  
But love had just begun
