

Oh, Goddamnit

Hot Hot Heat

Regular exposure to insecticide has caused me to break out in hives.
I'm losing weight. I cannot wait till Saturday...
cuz Saturday, my tax deductions make me function like a blue collar...
white collar...? ...I don't know -so I gotta hollar

"Oh! Oh Goddamnit! I think I've lost it!
Oh God! Goddamnit, I think I've lost you!

Anti-oxidants have got me causing accidents
because my wine is spiked with pomegranate.
If you've got just one, then slam it.

"Oh! Oh Goddamnit! I think I've lost it!
Oh God! Goddamnit, I think I've lost you!

Shot down -it's just such a shame.
I bet you feel no pain. Mercy!
Expect a rivalry.
Shot down -it's just such a shame.
I'm losing at this game. No fair!
Why don't you seem to care.
Lack of consequence has got me making decisions
based upon truth or dare decision making.
No faking.
I end up taking
karate.
She's naughty... I call shotty!
My body will never live up to these expectations...
I still make invitations.

Oh! Oh Goddamnit. I think I've lost it
Oh! God, Goddamnit. I think I've lost it
Oh! God, Goddamnit.

Shot down -it's just such a shame.
I bet you feel no pain. Mercy!
Expect a rivalry.
Shot down -it's just such a shame.
I'm losing at this game. No fair!
Why don't you seem to care.

Oh! Oh Goddamnit.
I think I've lost it
and I think that I've lost u

Shot down, shot down it's just such a shame
I'd rather u feel no, more pain
Shot down, shot down it's just such a shame
I think that I am losing this game
