

Remnants Of Yesterday

Hot Water Music

When the sunlight breaks the sky,
And the first light hits you eye,
Another morning breaking,
Feel your head, it's aching.
Do you think that you can take it?

In the mirror, do you see
The one who tried to ruin me?
Stabbing ice into a heart so afraid of breaking

Even though I've tried so hard,
To stay on track with what has been.
My memory fades as I recall
The remnants of yesterday.

Everytime I sleep it seems
You are with me in my dreams.
I dream we are friends
But dreams are often sad illusions.

You say you'll never see me again,
You say you are your own best friend.
With a friend like you,
Who could ever need an enemy?

Remnants of yesterday
Give me hope and leave me pain.
Remnants of yesterday
In my mind remain.

Leaves have fallen, grown too old,
Lakes are frozen, cracked and cold.
I shiver every time
I think of all the lies you told me.
