

# Just a Thought

Hudson Taylor

Whoa oh oh oh ohhh  
Whoa oh oh oh oh oh  
I'm not as scared as I feel  
In fact I'm totally petrified  
You took your hand off the wheel  
Why can't we ever be unified?

And you throw it all away to help how you feel  
Well you never can explain when nothing is real  
It's just the thought  
Whoa oh oh oh oh oh  
That you were lost  
Whoa oh oh oh oh oh

There's not a lot I can tell ya'  
(Whoa oh oh oh oh)  
When you decided it was a fleeting thought  
(Whoa oh oh oh oh oh)  
That you were lost  
I shot myself in the foot  
Oh what's a cry s'posed to signify?  
And all the time I was hooked  
You took the "I" out of unify

And you throw it all away to help how you feel  
Well you never can explain when nothing is real  
It's just the thought  
Whoa oh oh oh oh oh  
That you were lost  
Whoa oh oh oh oh oh

There's not a lot I can tell ya'  
(Whoa oh oh oh oh)  
When you decided it was a fleeting thought  
(Whoa oh oh oh oh oh)  
That you were lost

Get right out, get right out of my head  
Get right out, get right out of my head  
I dreamt that you'd come save me  
You'd come help me when I needed a friend  
I dreamt that you'd come save me

And in the end we are free  
When all the traces of trust are gone  
And you never can explain when nothing is real  
It's just the thought  
Whoa oh oh oh oh oh  
That you were lost  
Whoa oh oh oh oh oh

There's not a lot I can tell ya'  
(Whoa oh oh oh oh)  
When you decided it was a fleeting thought  
(Whoa oh oh oh oh oh)  
That you were lost  
A fleeting thought

(Whoa oh oh oh oh)  
That you were lost  
A fleeting thought  
(Whoa oh oh oh oh oh)  
That you were lost
