

# Walk Away

Hurts

I've been thinking about you  
You've been looking at me  
You've been thinking about, too  
But that was never gonna be  
You don't see, you don't see  
That was never gonna be

I need a reason to go  
Wish you could look at it my way  
I need a reason to go  
You never listen when I say

You know there's something about you  
But love's not something that I do  
I'm bad at letting you go  
Letting you go

So hey, Walk away  
It's time for better days  
Hey, walk away  
We were never working anyway

Hey, walk away  
It's time to turn the page  
Hey, walk away  
We were never working anyway

(Hey, hey)  
We were never working anyway  
(Hey, hey)

I've been thinking about you  
I've been thinking 'bout me  
I can never what you  
What you see in your dreams  
Your dreams, your dreams  
It was never gonna be

Well, I need a reason to go  
This ain't the time or the right place  
I need a reason to go  
And you need to listen when I say

You know there's something about you  
But love's not something that I do  
I'm bad at letting you go  
Letting you go

So hey, Walk away  
It's time for better days  
Hey, Walk away  
We were never working anyway

Hey, walk away  
It's time to turn the page  
Hey, walk away  
We were never working anyway

(Hey)  
We were never working anyway  
(Hey)

So hey, walk away  
It's time for better days  
(Hey) Walk away  
We were never working anyway

(Hey) Walk away  
It's time to turn the page  
(Hey, walk away)  
We were never working anyway  
(Hey) We were never working anyway

Hey, walk away  
You know you better walk away  
Hey, walk away  
We were never working anyway

Hey, walk away  
You know you better walk away  
Hey, walk away  
We were never working anyway
