

# Crowning Of The Poor

Ian Brown

Billionaires in their yachts can't  
Dream the life that I got can't  
No they can't stop the clocks can't  
Stop the crowning of the poor

Billionaires in their yachts can't  
Live the life that I got can't  
Zillionaires on their plots can't  
Stop the crowning of the poor

Millionaires with the stocks can't  
Electric gates and the locks can't  
Greedy banks and the tanks can't  
Stop the crowning of the poor

Palaces do fall and crumble  
Dynasties do take a tumble  
Birds will sing  
The earth will rumble  
At the crowning of the poor  
Trumpets sound  
And bells are ringing  
Boys and girls the grown me singing  
Women with the joy they're bringing  
To the crowning of the poor

Billionaires in their yachts can't  
Dream the life that I got can't  
Have to stand at the coronation of the  
Crowning of the poor

At the crowning of the poor  
At the crowning of the poor  
At the crowning of the poor

I'm the son of a poor boy  
Showed me nobody better than I  
He's the son of a poor girl  
Twirled her hair so to make it curl

I'm the son of a poor boy  
Showed me nobody better than I  
He's the son of a poor girl  
Twirled her hair so to make it curl

At the crowning of the poor  
At the crowning of the poor  
At the crowning of the poor
