

# Your Money Or Your Life

Ice Cube

This world so trife  
Your money or your life  
Yeah, keep your kids, keep your wife  
Money or your life (give it up)  
This world so trife (so trife)  
Your money or your life (West Coast)  
Yeah, keep your kids, keep your wife  
Money or your life

I got that gangbang mentality movie after movie  
I can't get it outta me, who wanna battle me?  
Mouths a Uzi thumbtack your ass to the concrete  
Treat you like a fuze  
This pyroclastic flow that I lay  
Will turn this fucking boof into pompai  
Now what will I do in broad day  
Turn Broadway into a hallway  
Motherfuckers wanna know the hurbs and spices  
They come to me and wanna know what my advice is  
I'm spiritual nigga like Jesus Christ is  
And lyrical bitch I'm about the nicest  
I'm content long jibbily  
Plus I spit shit that sit on your brain heavily  
I could do this shit 'til I'm 70  
On the Vegas strip yeah that's where I be

This world (this world) so trife (so trife)  
Your money or your life  
Keep your kids, keep your wife  
Money or your life (give it up)  
This world, so trife (so trife)  
Your money or your life (you know)  
Yea keep your kids, keep your wife  
Money or your life

Now I get that money, make that cheddar  
Play a double header, we can do better  
You can get wetter, blown out your sweater  
So much game need dick buy better  
Now Helen and Kellar can read this letter  
23 word if you read out for better  
I'm a go getter you's a point setter  
Pointing at me like you got a vendetta  
Boy, you know better  
They used to call me cube the impaler  
Ask Jerry Heller  
You the kind of fella that look for Cinderella  
I'm the kind of fella that steal her umbrella  
Now this ain't a diss, so don't tell Rockafella  
And don't try to exorcise the ghost of Makivella  
But I just got to be the best storyteller  
A tough Slick Rick win with the soccerfella

This world (ask trella) so trife  
Your money or your life (grand wizard)  
Keep your kids, keep your wife  
Money or your life

This world so trife (so trife)  
Your money or your life (gotta have it)  
Yea keep your kids, keep your wife  
Money or your life
