## **Existence In Progress**

## **Icon of Coil**

It's been times
I've denied my existence
Stretched out in christ pose
A puppeteer of a lost world

If I only cause you rain
I'll give you my skin
So you can feel how I feel
This is my existence

Like I've never deserved it Somewhere along the line I lost A throne of thorns, where never my intention

I'll stand below you, free you from blame And then I'll continue living my life in vain

If I only cause you rain
I'll give you my skin
So you can feel how I feel
This is my existence
