Iggy Azalea

Cutest hoes in my southern flow
Looks so good and I'm flying here
Soaring high like a eagle hoe
Baddest bitch in my hemisphere
Drugs the camp and I'll let you know
Saved every song so you can hear
I'm the leader of my circle I'm the head of my peers,
I'm the leader of the ladies let's get this clear
That's how we rock
10 million sold when I drop
10 million flows, think she hot
10 million hoes in my drop
