

Closer To You

Ijahman Levi

Closer I get to you
Girl I know I'm showing you
What good it can do for you
Girl why I'm lingering on
I've heard that love is doing you wrong
Is that true baby

I've got to get through to you
If it's the last thing that I do
As long as one and one make two
I really got to get closer to you
Oh baby oh baby

You chose to be free a while
How long is your time
But still you must remember you're a woman
Girl your charm is not yet out of style
Don't make a mistake
If it's only for love sake

But I'll be satisfied
Girl whenever you return
With your love to even mine
Girl since you have been gone
You left me a half a man
It's the truth. Baby
