

## Love In A Bungle

Ijahman Levi

Love in a bungle  
In this concrete jungle  
Love from the Rastaman  
Trodding creation  
Love in a bungle  
In a Rastaman struggle  
Peace and love  
Chanting the Rastaman

From a boy to a man  
Babylon jokes, fools, laughs  
Black heart man live in a bush  
Wear rag clothes and live in a hut  
Babylon the joke's on you  
Dread locks nattie congo  
Rasta House is solid rock  
Silk and gold I wear in the city.

Love in a bungle  
In this concrete jungle  
Love from the Rastaman  
Trodding creation  
Love in a bungle  
In a Rastaman struggle  
Peace and love  
Chant the Rastaman

Babylon your kingdom rules  
Brainwash culture people  
You'll never capture the Rastaman  
Babylon your works they must back fire  
Dread locks nattie congo  
Chanting psalm in Babylon  
Peace and love  
Chant the Rastaman

Love in a bungle  
In this concrete jungle  
Love from the Rastaman  
Trodding creation  
Love in a bungle  
In a Rastaman struggle  
Peace and love  
Chanting the Rastaman
