

The Music of the Night

Il Divo

Night-time sharpens, heightens each sensation
Darkness stirs and wakes imagination
Silently the senses abandon their defences
Helpless to resist the notes I write
For I compose the music of the night

Slowly, gently, night unfurls it's splendor
Grasp it, sense it, tremulous and tender
Hearing is believing music is deceiving
Hard as lightening soft as candlelight
Dare you trust the music of the night

Close your eyes, start a journey through a strange new world
Leave all thoughts of the world you knew before
Close your eyes, and let music set you free
Only then can you belong to me

Floating (floating), falling (falling), sweet intoxication
Touch me (touch me), trust me (trust me), savour each sensation

Let the dream begin, let your darker side give in
To the power of the music of the night
The power of the music of the night

You alone can make my song take flight
Help me make the music of the night
