

# I'm Not So Tough

Ilse DeLange

I can almost read your mind  
It's runnin' fast out of control  
You're afraid of what you'll find  
If you get too close  
You imagine I don't care  
You see walls that just aren't there  
You think I'm too strong to let you in  
Well that's just not fair

I'm not so tough  
I'll call your bluff  
And let you see a side of me  
That wants you here and cries real tears  
And needs someone to love  
I'm not so tough

I know that you've been hurt before  
Well, so have I, what can you do  
That doesn't mean you close the door  
So stop blamin' me, I don't blame you  
I'm not some ghost from your past  
The one who tore your heart in half  
I'm not her, it's not my fault you're holding on to that
