

You Are The Dream

Ilse DeLange

I'd lived my life convinced I'd find
Your love somehow, some way
I held on to the faith that you
Would show yourself one day
Something in me believed
This night was meant to be

You are the promise I made to my heart
You are the vision I saw in the dark
You are the reason I waited so patiently
So many nights when I closed my eyes
It's you that I have seen
I am the dreamer
You are the dream

It wasn't always clear to see
Where I was headed to
But all life's roads somehow I chose
The one that led to you
It doesn't matter how far I've been
I found my journey's end
