

Scream

Ima Robot

Big blue in a gas field, you caught me lyin'
Pathetic religion of sex and cryin'
I nailed the door shut to leave you blind
I nailed the door shut for peace of mind

You were the best love I ever had
You hit me high, you hit me low
Time doesn't slow down for those who dream
I wake only to hear this scream

Hot and cold in the goldmine, it's diamond legs
After she hit me off, I just had to beg
I nailed the door shut to leave you blind
I nailed the door shut for peace of mind

You were the best love I ever had
You hit me high, you hit me low
Time doesn't slow down for those who dream
I wake only to hear this scream

You were the best love I ever had
You hit me high, you hit me low
Time doesn't slow down for those who dream
I wake only to hear this scream

You were the best love I ever had
You hit me high, you hit me low
Time doesn't slow down for those who dream
I wake only to hear this scream

Love is the only incident, an infatuation
Is this sweet manipulation? Well, I was frightened myself
What is love? It's a fine inclination, a lovely retardation
What is life? But a reality vacation, indulging operation
What is love? It's the worthiest damnation, sweet temptation
What is love?
