

Dancing in the Dark

Imagine Dragons

Don't throw my name 'round here like that
You could get us in some trouble
Talking that way and
Monday you got me that's a fact
You could get me in some trouble
Talking that way and
I don't need nobody

If you ever want to join me baby I'll be dancing in the dark
If you ever want to join me baby I'll be dancing in the dark

Dancing in the
Join me
Dancing in the
Join me baby
Dancing in the
Join me baby

Most days I'm keeping to myself, living in my little bubble
Pushing my weight and moving my body through the sea
You could come join with me
Moving like the weekend
I don't need nobody

If you ever want to join me baby I'll be dancing in the dark
If you ever want to join me baby I'll be dancing in the dark

Dancing in the
Join me
Dancing in the
Join me baby
Dancing in the
Join me baby
Dancing in the
Join me baby

If you ever want to join me baby
I'll be dancing in the dark
Dancing in the, join me baby
If you ever want to join me baby I'll be dancing in the dark
Dancing in the
