

# I Don't Know Why

Imagine Dragons

We could be strangers in the night  
We could be passing in the shadows  
We couldn't be closer if we tried  
When we're caught in the headlights  
We could be faces in the crowd  
We could be passing in the shadows  
Upping the risk of being found  
When we're caught in the headlights

Dangerous  
Your love is always dangerous  
And now I'm lost in us  
We're living in a lying trust

I don't know why but I guess it's got something to do with you  
To do with you  
I don't know why but I guess it's got something to do with you  
To do with you

I was a faking alibi  
Trading the truth in for a lie, oh  
We were the essence of desire  
And we're caught in the headlights

Dangerous  
Your love is always dangerous  
And now I'm lost in us  
We're living in a lying trust

I don't know why but I guess it's got something to do with you  
To do with you  
I don't know why but I guess it's got something to do with you  
To do with you (I don't know why)  
I don't know why but I guess it's got something to do with you (I don't know  
)  
To do with you (I don't know why)  
I don't know why but I guess it's got something to do with you  
To do with you

(Tell me that you love me)  
(Tell me that you love me)  
(Tell me that you love me)  
(Tell me that you love me)  
Dangerous  
(Tell me that you love me)  
(Tell me that you love me)  
Your love is always dangerous  
(Tell me that you love me)  
(Tell me that you love me)

I don't know why  
I don't know why but I guess it's got something to do with you (I don't know  
)  
To do with you (I don't know why)  
I don't know why but I guess it's got something to do with you  
To do with you (I don't know why)  
I don't know why but I guess it's got something to do with you (I don't know

)

To do with you (I don't know why)

I don't know why but I guess it's got something to do with you

To do with you
