

I Used To Cry

Imany

Sitting in my dreams,
alone for you to come back.
Things are better than they seem,
don't you worry I'll be fine.

Well I used to cry, I cried, I cried all night long.
And now I'm trying, I'm trying, I'm trying
To stop on my own.

It's really hard to admit I've been wrong for so long.
Time is all that you need,
Can't you see you're all alone.

Well I used to cry, I cried, I cried all night long.
And now I'm trying, I'm trying, I'm trying,
To stop on my own.

And I feel old, and I feel lonely,
If only I could learn to be happy.
And I feel old, and I feel lonely,
If only I could learn to be happy.

Well I used to cry, I cried, I cried all night long.
And now I'm trying, I'm trying, I'm trying,
To stop on my own.

But I used to cry, I cried, I cried all night long.
And now I'm trying, I'm trying, I'm trying,
To stop on my own.
On my own, on my own, on my own.

But I used to cry, I cried, I cried all night long.
And now I'm trying, yes I'm trying, I'm trying,
To stop on my own.
