

# You Don't Belong To Me

Imany

Hold my heart,  
Touch my soul,  
Just make sure you don't let go.  
'Cause life is short,  
Yes I know,  
Let us never grow apart.  
So pull me close in your arms,  
Hold so tight let's catch the stars.  
Cause we own the night,  
We own the night.

They say you don't belong to me,  
That my love is not what you need anymore.  
I say what matters is what you believe,  
No one can tell us how we feel tomorrow.

Please hold on,  
Don't go home  
trust my hand  
I won't let go  
My love is pure,  
you said so  
Let us never grow apart  
So let's run out,  
side by side.  
Yes real fast,  
don't change your mind.  
Cause you are mine,  
and I am yours.

They say you don't belong to me,  
That my love is not what you need anymore.  
I say what matters is what you believe,  
No one can tell us how we feel tomorrow.

And I tell you all the time,  
That you are my only one.  
You call me, you call me and I'm home.  
Oh I wish you can be mine,  
That I need you by my side.  
You call me, you call me, I'm your home.

They say you don't belong to me,  
That my love is not what you need anymore.  
But I say what matters is what you believe,  
No one can tell us how we feel tomorrow.

They say you don't belong to me,  
That my love is not what you need anymore.  
But I say what matters is what you believe,  
No one can tell us how we feel tomorrow.
