

# Feeling Strange

Imogen Heap

Can you tell me why am I feeling?  
Can you tell me why am I feeling?

Tonight I am myself again  
I am one as whole  
I realise that I'm like this  
When I look into my soul  
I see a confused vessel there  
Sitting even though I'm not  
Under the influence of any  
Substance for a shot  
No substance for a shot  
No substance for a shot  
Yeah

Can you tell me why am I feeling  
As I were floating in space again yeah  
Can you tell me why am I seeing life in a blur  
I don't feel, I don't feel normal friend will it even end?

All I have to do to get me into this state  
Is to just be left alone  
And even then it's far too late

My mind begins to wonder  
Travel far and beyond  
The barriers of human thought  
Yeah they break here before too long  
Yeah they break here before too long  
Yeah they break here before too long

Can you tell me why am I feeling  
As I were floating in space again  
Yeah  
Can you tell me why am I seeing life in a blur  
I don't feel - I don't feel normal friend will it even end?

I start thinking overloading  
My thought capacity  
My vision take em somewhere  
Now at great velocity  
I can't get out of this I'm caught  
Please interrupt  
Imagination runs away from me  
Is it normal to be corrupt

Can you tell me why am I feeling  
As I were floating in space again yeah  
Can you tell me why am I seeing life in a blur  
I don't feel, I don't feel normal friend will it even end?

Can you tell me why?  
Can you tell me why?  
Can you tell me why?  
Can you tell me why?
