

## Sober and Irrelevant

### In Flames

Used to be original,  
but now I tremble in fear  
I am like everyone else  
alabary spell

Is this how it feels  
to reach black bottom  
want to know how it feels to be forgotten

I become the distance,  
I am the sober and irrelevant,  
I don't feel but in this,  
what is there to believe ?

I'm not asking for much  
just a moment  
a chance to pick up the pieces  
happiness please come home

what if it ends right here  
how do I change it  
Hoping to find a saviour  
I lost my way

I become the distance,  
I am the sober and irrelevant,  
I don't feel but in this,  
what is there to believe ?

is this how it feels  
to reach black bottom  
want to know how it feels to be forgotten  
hoping to find a saviour

I lost my way

I become the distance,  
I am the sober and irrelevant,  
I don't feel but in this,  
what is there to believe ?
