

Back Together Again

Indigo Girls

Leaving ain't fair y'know parting ain't just
But people move on people got to do what they must
And we're back together again
And I'm never gonna lose you as a friend

Growing up green, growing up wild
If you want to know the secret behind the smile you gotta ask a
Tuesday's child
And we're back together again
And I'm never gonna lose you as a friend

Well I guess that highway got a hold of me
Thinking crazy thoughts as if it was going to set me free

This ain't my place you know this ain't my home
And I'm not gonna feel right till you get us back behind the mi
crophones
And we're back together again
And I'm never gonna lose you as a friend
And I'm never gonna lose you as a friend
