

I Don't Wanna Talk About It

Indigo Girls

I can tell by your eyes
That you've probably been crying forever
And the stars in the sky
Don't mean nothing to you they're a mirror
I don't wanna talk about it
How you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart
My heart

If I stand all alone
Will the shadows hide the color of my heart
Will they be blue for the tears
Black for the nights we spent apart
And the stars don't mean nothing to you
They're a mirror
I don't wanna talk about it
How you broke my heart
Oh if I stay, if I stay here
Won't you listen to my heart

I don't wanna talk about it
How you broke my heart
If I stay, if I stay here just a little bit longer
If I stay here won't you listen to my heart
If I stand all alone
Will the shadows hide the colors of my heart
