

# Forgive Me

Infected Mushroom

Can you tell me a story that I don't know  
Can you show me a picture that I haven't seen before  
Can you do one thing for me  
Just let me go

Can you tell me a story that I don't know  
Can you show me a picture that I haven't seen before  
Can you do one thing for me  
Just let me go  
Just let me go  
Just let me go

Can you give me a reason why to stay behind  
Can you say to my face that I'm not wasting all my time  
Can you do one thing for me  
Just let me go

Can you see the way I'm happy and the story that is ending  
And my final place to be, with some quiet endlessly  
Can you show me one more time  
Just where to go

Forgive me, for leaving you alone  
Forgive me, for not staying any more  
Forgive me, for leaving you alone  
Forgive me, for not waiting any more  
Forgive me, for leaving you alone  
Forgive me, for not waiting any more
