## Lay All Your Love On Me

## **Information Society**

You werent jealous before we met Now every woman you see is a potential threat Now you're possessive, it isn't nice You used to say that smoking was your only vice

But now it isn't true Now anythings new And all I've learned Has overturned What I think of you

Don't go wasting your emotion Lay all your love on me

I used to think love was sensible
It makes the truth even more incomprehensible
I still don't know what youve done to me
A grown-up boy should never fall so easily

I feel a kind of fear
When I don't have you near
Unsatisfied
I swallow my pride
I beg you, dear

Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me
