Ini Kamoze

We interrupt this programme to bring you a special bulletin....
to the Russians and the Americans
Go tell Russians to cool it off
Tell Americans to cool it off
Don't ya juggle with me life, Boss...
Are ya listening me
You must be saying who the hell is he
Is he a spy or a refugee
But I'm just a youth from a shanty town
Come, come, come, giving a crucial sound

Gentlemen, gentlemen, stand at ease
Here's some bread now pass the cheese
It is as easy as ABC
Yow, yow, yow, take it easy with me

You must be saying who the hell is he
Is he a spy or a refugee
But I'm just a youth from a country town
Come, come, come, giving a crucial sound
