## Insane Clown Posse

Beautiful doom  
Bang! Pow! Boom!

Bang! Pow! Boom!  
Beautiful doom  
Wonderful doom

Everybody dies, gargoyle skies  
Main attraction is your own treachery and lies  
Carnival arise, facing your demise  
Cuz the acid rain came with a Boom! Pow! Bang!  
And the purpose of the circus is definitely clear  
Get you in the mirror cuz soon you'll be here  
Sweat with the boom, don't forget to assume  
Time catches up with some beautiful doom

Beautiful doom  
Bang! Pow! Boom!

Time catches all of us  
Surpassing everything  
Time catches all of us  
Surpassing everything  
Time catches all of us  
Surpassing everything  
Time catches all of us

Tents pop up cuz the show's in town  
And everybody knows what goes around  
You're a three ring act, let's hope it suits ya  
Your past and your present will determine ya future  
No White Witch can save ya, no potion  
And six times deeper than the Indian Ocean  
Life goes by with a Bang! Pow! Boom!  
And then LOOK OUT! Here come the beautiful doom
