### Insane Clown Posse

This a...strange...[voices]...this, there's many, many voices in my head,  
many different voices (some are like this) some are like this (some are like  
this)  
some are like this (some are like this) some are like this, some are like th  
is  
I hear voices, one voice in paticular  
It comes into my mind, perpendicular  
Rectangular,it's a..strangular  
He's like some kind of mental fuckin' mangular...I dunno  
He tells me to punch Esham and Shaggs  
So I punch'em, I even call Twiztid fags  
They get mad, slap me and smear my makeup  
I've named this evil voice, named him Jacob  
Jacob tells me "climb the ladder and jump off  
Head first on the street, don't worry, it's soft"  
So I jump, thump, I'm on a gurney  
Jacob laughs at me "your so fuckin' nerdy"  
Fuck him, I hate him, I can't escape him!  
I finally get alone, he calls me on the telephone  
Brrb! "is Violent J there?" "here" "hey it's Jacob!"  
I want you to piss in your underwear, ok bud?"  
Sure, I'm pissin' now, it fuckin' tickles  
Jacobs dissin' again, I hear his giggles  
After I cut all my fingers of for that mother fucker  
I've finally had enough  
Go see a doctor, Doc, hello  
"Hi, have a seat, let's see umm...what is it..Joe?  
Yeah, Joe Bruce, my friends call my Chucky "Chucky?"  
Either that or Bucky, Fuck Me!!  
I'm sorry Doc, it's Jacob again, my name's J  
"Tell me J, who's this Jacob anyway?"

I gotta lotta voices, but this one's mislead  
He tells me to drink toilet water an shit  
"Do you do it?" No..YES!!  
I can't help it though, I can't stop it  
"J..what I want you to do is drop it" Drop what?  
"Your feelings of denial"  
"I mean your an asshole, let's face it, Jacob, he's got style" yea  
"You should do...exactly what he tells you"  
Even stab myslef? "yea, hells yea"  
Fuck man are you sure Doc? "Sincerely

Wow, \$300 bucks and I'm cured, it's absurd  
All I gotta do is wait for the word  
Now I aint heard from ol' Jacob in a while  
I'm at home jerkin' my dick off to Gilligains Isle when Bang!  
He popped in "J, what's up homie?"

Doc say's I should roll wit' you, let's do this  
"Alright, well let's start off with a glass of your own piss!" wit' ice?  
"No ice!" nice...  
"Finsih up the whole glass, then repeat it twice!"  
All done "Let's go, put your shoes on!" where we goin' homie?  
"To the graveyard!" what? "I want you to dig up a girlfreind"  
Dig up a dead body? "I won't say it again!"  
"You heard what the doctor said, fuckin' do it!"

Well fuck it, hand me my shovel and bucket  
I dug the bitch, literally, I dug her  
Her skin smelled like burnt rubber, I fuckin' love her  
Took her corpse home, sat it on the couch  
Jacob said "Now put her foot in your mouth!"  
So I did and her toes smelled like fish chunks  
That's been sitting out in the...sun for a couple a months  
I didn't care though because Jacob told me to  
"It's one more little thing that I want you to do" (what's that?)  
"Lay down in the street and trip a semi wit' chyo neck"  
Trip a Semi-tru... you bet!  
There I was, I'm movin off..just waitin  
Ready to get rolled on like a Dayton  
Here it comes, I stuck my fuckin' head out  
Like this Jacob! "Yea, Pow!"  
Boom, I'm in critical, I got minutes left  
And I'm fightin' with death!  
Why did the doctor tell me to listen to him?  
I'm lay'd up 'bout to die, screw him!  
Pick up the phone, Brrb! "Hello?"
