

# The Clairvoyant

Iron Maiden

Feel the sweat break on my brow  
Is it me or is it shadows that are  
Dancing on the walls.  
Is this a dream or is it now  
Is this a vision or normality I see  
Before my eyes.

I wonder why, I wonder how  
That it seems the powers getting stronger  
Every day  
I feel a strength an inner fire  
But I'm scared I won't be able to control it anymore

There's a time to live and a time to die  
When it's time to meet the maker  
There's a time to live but isn't it strange  
That as soon as you're born you're dying.

Just by looking through your eyes  
He could see the future penetrating right  
In through you mind  
See the truth and see your lies  
But for all his power couldn't foresee his own demise

There's a time to live and a time to die  
When it's time to meet the maker  
There's a time to live but isn't it strange  
That as soon as you're born you're dying...  
...and be reborn again?
