

The Number Of The Beast

Iron Maiden

1. I left alone, my mind was black
I needet time to get memories from my mind
What did I see, can I belive
That what I last night was real and not fantasy

Just what I saw, in my old dreams
Were they reflections of my warped mind
staring back at me

Cause in my dreams, it always there,
The evil face that twist my mind and brings
me to despair

2. The night was black, was no use holding back
Cause I just had to see, was someone wratching me
In the mist, dark figures move and twist
Was all this for real, or some kind of hell

R: Six, six, six the number of the beast
Hell and fire was spawned to be released

3. Torches blazed and secred chants were praised
As they start to cry, hands held to the sky.
In the night, the fires burning bright
The ritual has begun, Satan's work is done

666 the number of the beast
Sacrifice is going go tonight

sólo 1

4. This can't go on, I must inform the law
Can this still be real or some crazy dream
But I feel drawn towards the chanting hordes
They seem to mesmerize.....can't avoid their eyes

666 the number of the beast
666 the one for you and me

I'm coming back, I will return
And I'll possess your body and I'll make you burn
I have the fire, I have the force
I have the power to make my evil take it's course
