

Yeah I would wake up next to you
If I could (if I could, if I could).
And I would stare straight past them all to you.
I could never say it like I sing it,
Drunk talent cause we're fading,
But I'll be, I'll be, I'll be the first to say:

You could be my mistake-ake-ake,
I know I want it but I can't stay-ay-ay.
I can't stop thinking it, thinking it-it,
I can't stop thinking it, thinking it-it.
You could be my mistake-ake-ake,
I know I want it but I can't stay-ay-ay.
I can't stop thinking it, thinking it-it,
I can't stop thinking it, thinking it-it.
That it's a little too late-ate-a-a-ate, a little too late-ate-a-a-ate,
A little too late-ate-a-a-ate, a little too late-ate-a-a-ate.

And when the sun comes up again,
And we're gone (and we're gone),
We'll remember every beautiful thing that
Went wrong.
I could never say it like I scream it,
Drunk talent cause we're fading,
But I'll be, I'll be, I'll be the first to say:

You could be my mistake-ake-ake,
I know I want it but I can't stay-ay-ay.
I can't stop thinking it, thinking it-it,
I can't stop thinking it, thinking it-it.
You could be my mistake-ake-ake,
I know I want it but I can't stay-ay-ay.
I can't stop thinking it, thinking it-it,
I can't stop thinking it, thinking it-it.
That it's a little too late-ate-a-a-ate, a little too late-ate-a-a-ate,
A little too late-ate-a-a-ate, a little too late-ate-a-a-ate.

You could be my mistake-ake-ake,
I know I want it but I can't stay-ay-ay.
I can't stop thinking it, thinking it-it,
I can't stop thinking it, thinking it-it.
You could be my mistake-ake-ake,
I know I want it but I can't stay-ay-ay.
I can't stop thinking it, thinking it-it,
I can't stop thinking it, thinking it-it.
You could be my mistake.
