

## In the Shadows

Ivy

The first time  
I knew that I had you.  
The last time I caught you,  
Oh had I taught you.

I know what you are.  
I know what you are.

I watch  
(I see you everywhere.)  
Myself now  
Looking  
(I know beneath it all...)  
At you.  
I feel  
(I see you everywhere.)  
Ashamed by it all.  
(I know beneath it all...)  
What can  
(there's nothing left in me)  
I do?

I know what you are.  
I know what you are.  
I love the way you are  
Hiding in the shadows.  
In the shadows
