So I'll tell you right now when it's on, it's nothin
Shadow gettin to bustin
Every class at school nigga was special ed
Teacher got bored a nigga so we was all red
Twenty four with no diploma I don't really care
These cowards don't got it crackin and I'm out there
Lou we got the brown, Ferrari got the green
Smells caught in between, nigga doin his thing
What I'm sayin it's a hustler's pain
Bein rich by myself, it's a treacherous dream

Oh my gangstaness
All the anger in my heart who we thank for this
Yo I can't thank a soul but God and guns
Don't kill a damn fool it's a animant's steel (drugs)
It's the liquor and the bills cause a man to steal
It's the lack of Medicaid and these bitches got AIDS
And they snaggin at the Y, player we too high
I ain't really into ballin and tossin my chips (uh huh)
Rather cop real estate then ride big whips
Rather trick on my wife and go real a dick or hips
Slick bitch that's strict man, she can't get shit
But she get trashed on the car hood by Hoodstock
We got good stock

I don't give a fuck what I sell out with a gun motherfucker

I got stocks in the hood, sold rocks in the wood
Pop up on your block, with the glock like its good
Got niggaz scared to cop and drop like I'm Suge
Pop if you could, watch if you would
Nigga go platinum from the federal pen
Go 150 months, and come home gettin rich again
Nigga it's sicker than, I hope you listenin
Nigga we glistenin, pop off and leave you in the dead man position
Black Child is Murder, y'all forgettin
The work I put in, the dirt I done did
On this earth niggaz lives is worthless
Unless you worth a few million, school your children
Let the game get to 'em, then they brain get ruined
Mine speak foreign languages fluently
Hoodstock exchange ain't nothin new to me
Cop and go, set 'em shoppin up to Unity
I've been ticklin clit ever since puberty
Might taste it if it smells clean to me
Mama lean with me, holler and scream with me

The Rule is back, the Rule is back
The Rule is back, the Rule is back
Like 'Pac said "keep your head up man"
Like Biggie Biggie "give me one more chance"
Haha, niggaz
(2x)

I +Clap Back+ just from my mental anguish
This cash is aimless, cop the new yellow Vanguish
And I ride swervin down the westside highway
Get high like a G4 on the runway
I can't land it man with gun in hand
A hundred grand in escrow tryna expand
A million niggaz that brick, whole bricks to grams
Just leave with money, its seems like its Uncle Sam
So keep (hustlin) I done roll that comes from all the pain and the (strugglin)
(Look at here) federal agents (runnin in)
Come again, it must be mistaken identity
Like when Oswald took the rap for killin a Kennedy
We in the street, not industry niggaz
And because we're called "the Murderers" that don't make us killaz, now does it?
Now it's not home but still them trumpets blowin
Hold on cause the leader of this mission is a pro

The Rule is back, the Rule is back
The Rule is back, the Rule is back

Like Biggie Biggie "give me one more chance"
Haha, niggaz
