I Got You

Jack Johnson

Back when all my little goals seemed so important Every pot of gold fill and full of distortion Heaven was a place still in space not in motion But soon I got you I got everything I've got you I don't need nothing More than you I got everything I've got you We went walking through the hills Tryin' to pretend that we both know Maybe if we save up We can build a little home But then the hell storm came and yelled, "You need to let go, you've got no control. No." I got you I got everything I've got you I don't need nothing More than you I got everything I've got you This weight's too much alone Some days I can't hold it at all You take it on for me When tomorrow's too much I'll carry it all I've got you And when tomorrow's too much I'll carry it all I got you I got you I got everything I've got you I don't need nothing More than you I got everything I've got you
