

## Here I Am (Come and Take Me)

Michael Jackson

I can't believe that is real  
The way that you made me feel  
A burning deep down inside  
A love that I cannot hide  
I know it's you honey baby, yeah

That makes the world go round  
And it's keeping me here loving you baby  
Laying all my troubles down  
Here I am baby come and take me  
Here I am baby come and take me

Take me by the hand  
Oh, show me here I am baby, take me  
Oh.. it always ends up this way  
Me begging you every day  
From love that I cannot hide  
You broke my heart into half  
I know it's you and me  
Baby yeah...
