Here I Am (Come and Take Me)

Michael Jackson

I can't believe that is real The way that you made me feel A burning deep down inside A love that I cannot hide I know it's you honey baby, yeah

That makes the world go round And it's keeping me here loving you baby Laying all my troubles down Here I am baby come and take me Here I am baby come and take me

Take me by the hand Oh, show me here I am baby, take me Oh.. it always ends up this way Me begging you every day From love that I cannot hide You broke my heart into half I know it's you and me Baby yeah...
