

# You Can Always Go

Jagged Edge

Ooh, ooh  
Come on, come on, come on

Yo you can always go  
I'm saying yo  
If you ain't with it  
You can split it baby  
Yo forgive me I am not for you  
Gotta let you know  
Baby you can be just like wall  
Just let me know  
And you can go

Just wanna know why  
You don't be here like you're supposed to  
Just wanna know why  
Do you - and why you drink so much to  
Just wanna know why  
You can't be what I want you to be  
If you want me, oh yeah  
(Yo, yo, yo, yo)

You know, I know  
You ain't try-na change so  
You go, I go  
We ain't gotta stress no more  
You know we ain't gotta stress no more

Just wanna know why  
You always trippin' about what I don't do  
(Why you trippin'?)  
Just wanna know why  
You try-na change me  
When you got at me  
Don't think that you're better than me  
Just cause you don't get down me  
Let a man be a man be a man  
Or I'mma go, yeah  
(Yo, yo, yo, yo)

You know, I know  
You ain't try-na change so  
You go, I go  
We ain't gotta stress no more  
You ain't gotta stress no more  
Baby you can go, yeah

You say you want me  
Baby now I see  
That you just wanna change me

No, you're not what you said you were  
So you can get your things and go

We can go bounce, baby bounce, be out  
As a matter fact mama wait a minute  
(Hold up!)

This is my house  
So yeah I ain't going no where so pack yours  
Have a good life, whoa THAT AIN'T YOURS  
Forget it I have another White Amara  
Under the covers baby I'm the R.O.C.  
Hopefully I'll call ya  
Yeah sure please do me a favor  
If you gon' leave twist lock the door  
And drop the keys, ya know
