

And I Do Just What I Want

James Brown

Live while you're livin', 'cause you know what they said,
Don't matter how long you live, you're a long time dead.
I said no use to worry, no use to fret,
I'd like a million dollars but I ain't gonna bet.
I'm alright tonight, and I'll do just what I want.

Tell everybody in the neighborhood,
That I want to party, want to party good.
And I don't care what the people don't allow,
I'm gonna have a good time any old how.
I'm alright tonight, and I do just what I want.

Tell everybody in the neighborhood,
That I want to party, want to party good.
Live while you're livin', 'cause you know what they said,
Don't matter how long you live, you're a long time dead.
I'm alright tonight, and I do just what I want.
I'm alright tonight, and I do just what I want.
I'm alright tonight, and I do just what I want.
