

Somewhere Out There

James Ingram

Somewhere out there
Beneath the pale moonlight
Someone's thinking of me
And loving me tonight

Somewhere out there
Somone's saying a prayer
That we'll find one another
In that big somewhere out there

And even though I know
how very far apart we are
It helps to think
we might be wishing
on the same bright star

And when the night wind
starts to sing a lonesome lullaby
It helps to think
we're sleeping underneath
the same big sky

Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams come true

And even though I know
how very far apart we are
It helps to think
we might be wishing
on the same bright star

And when the night wind
starts to sing a lonesome lullaby
It helps to think
we're sleeping underneath
the same big sky

Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams come true
